

As one of the leading China magnetic track lighting manufacturer, Seven Colors Lighting only makes high quality magnetic track lights. All these magnetic led track lights consist with Osram, Sanan, Philips, Bridgelux brand chips and Meanwell power supply. We also can customize all kinds of led magnetic track lights as your drawings, sketches, or ideas at low price. Support any sample orders or small orders.

Our latest magnetic track lighting system supports XIAOMI, DALI, 0-10V, Zigbee, Tuya controlling system. Our magnetic track light often works at DC48V with AC85-265V universal voltage input.

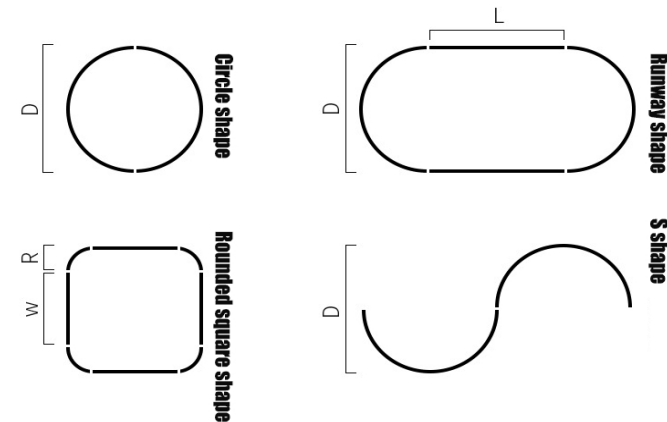

Magnetic track lighting system is a modern and new type lighting management system. Because it combines a variety of lighting fixture, like led linear light, led pendant lamp, LED grille lamp, foldable led spot lamp, led track light into one system.

This system comes with a strong magnetic design, each lighting fixture just need to attach to the track channel. And the power supply will connect with each lights through this magnetic track channel. Moreover, each light can move freely on the track. You can move to any places as you want.

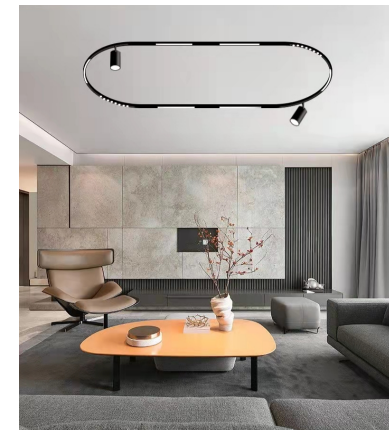

Simple design, modern and luxury. High Color Rendering Index(CRI)>90Ra, equips with Osram, philips led and meanwell power supply. So this track linear lighting not only has good looking but also long life span.

Different shape flexible design to fit different places

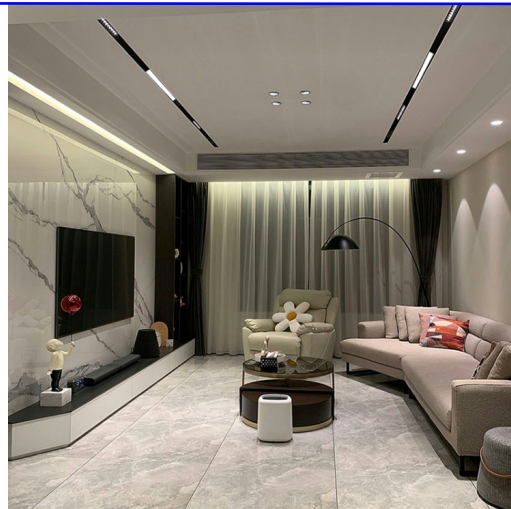

According to different design of different place, build different shape of magnetic track lighting system to create more suitable light for the surroundings. So you can create different shapes like circle shape, runway shape, rounded shape, s shape and linear shape.

Circle Shape

Runway Shape

Rounded Square Shape

Linear Shape

ARC Magnetic Track Lights Series for Circle Linear Lighting

ARC Magnetic Floodlight

	Item No.	Power	Dimension	Lumen Flux	Working Voltage	CRI	LED Chip
	SC-ARF-01	8W	L180XW22XH25mm	90-100LM/W	DC48V	>90Ra	Osram
	SC-ARF-02	16W	L360XW22XH25mm	90-100LM/W	DC48V	>90Ra	Osram

ARC Magnetic LED Grille Lamp

	Item No.	Power	Dimension	Lumen Flux	Working Voltage	CRI	LED Chip
	SC-ARG-01	8W	L180XW22XH25mm	90-100LM/W	DC48V	>90Ra	Osram
	SC-ARG-02	16W	L360XW22XH25mm	90-100LM/W	DC48V	>90Ra	Osram

Universal Magnetic Track Lights

L-shaped Magnetic LED Light							
	Item No.	Power	Dimension	Lumen Flux	Working Voltage	CRI	LED Chip
	SC-MGL-01	20W	(L320+L300)XW22mm	90-100LM/W	DC48V	>90Ra	Osram
	SC-MGL-02	40W	(L620+L600)XW22mm	90-100LM/W	DC48V	>90Ra	Osram

Magnetic LED Flood Light

	Item No.	Power	Dimension	Lumen Flux	Working Voltage	CRI	LED Chip
	SC-MGF-01	10W	L307*W22*H25mm	90-100LM/W	DC48V	>90Ra	Osram
	SC-MGF-02	20W	L607*W22*H25mm	90-100LM/W	DC48V	>90Ra	Osram
	SC-MGF-03	30W	L907*W22*H25mm	90-100LM/W	DC48V	>90Ra	Osram
	SC-MGF-04	40W	L1207*W22*H25mm	90-100LM/W	DC48V	>90Ra	Osram

Magnetic LED Grille Light

	Item No.	Power	Dimension	Lumen Flux	Working Voltage	CRI	LED Chip
	SC-MGG-01	6W	L115*W22*H25mm	90-100LM/W	DC48V	>90Ra	Osram
	SC-MGG-02	12W	L223*W22*H25mm	90-100LM/W	DC48V	>90Ra	Osram
	SC-MGG-03	18W	L331*W22*H25mm	90-100LM/W	DC48V	>90Ra	Osram
	SC-MGG-04	24W	L439*W22*H25mm	90-100LM/W	DC48V	>90Ra	Osram
	SC-MGG-05	30W	L537*W22*H25mm	90-100LM/W	DC48V	>90Ra	Osram

Magnetic Track Lighting System

Foldable Magnetic Spotlight							
	Item No.	Power	Dimension	Lumen Flux	Working Voltage	CRI	LED Chip
	SC-MGS-01	6W	L110*W22*H82mm	90-100LM/W	DC48V	>90Ra	Osram
	SC-MGS-02	12W	L220*W22*H82mm	90-100LM/W	DC48V	>90Ra	Osram

Magnetic Track LED Spot Light							
	Item No.	Power	Dimension	Lumen Flux	Working Voltage	CRI	LED Chip
	SC-MGT-01	10W	D48*H105mm	90-100LM/W	DC48V	>90Ra	Osram
	SC-MGT-02	20W	D58*H130mm	90-100LM/W	DC48V	>90Ra	Osram
	SC-MGT-03	30W	D68*H155mm	90-100LM/W	DC48V	>90Ra	Osram

Magnetic LED Pendant Light							
	Item No.	Power	Dimension	Lumen Flux	Working Voltage	CRI	LED Chip
	SC-MGP-01	6W/12W	D30*H300mm	90-100LM/W	DC48V	>90Ra	Osram
	SC-MGP-02	12W	D60*H300mm	90-100LM/W	DC48V	>90Ra	Osram

How to install magnetic track lighting system

★ Recessed Installation—Difficult, need professional workers or tool to make a slot in the ceiling. Then recess the magnetic track channel into the groove.

★ Trimless Recessed Installation—Very hard, need to recess the aluminum profile track into the slot in the ceiling before plastering. So that the track is invisible from outside. Often use this method on a plaster structure ceiling.

★ Surface-mounted Way—very easy, just need to fix the track channels with screws to the ceiling. But the aluminum profile channel appears apparently.

★ Suspension Way—easy installation. Just suspend the magnetic track lighting from the ceiling by steel wire.
